

ENHANCING YOUR LIFE EVERY DAY

About Westlake

Westlake is a global manufacturer and supplier of materials and innovative products that enhance life every day. We provide the building blocks for vital solutions from packaging and healthcare products to automotive and consumer goods to building and construction products. Westlake products benefit society by broadly serving three sectors: Building & Construction; Consumer Lifestyle; Nutrition & Healthcare.

Our Products Enhance

NUTRITION & HEALTHCARE

You'll find our products in food packaging from bread bags and cheese wrappers to meat containers and milk cartons that preserve the freshness of our food. Our products also play a key role in the medical devices that keep us healthy—from medical bags to dialysis machines.

CONSUMER LIFESTYLE

We offer an evolving range of everyday solutions that help people live and work around the world. Our products are included in the dashboard of your car to the paper box delivered to your house. Our consumer lifestyle solutions distinguish themselves by their quality, versatility and reliability.

BUILDING & CONSTRUCTION

Our building and construction products—like our pipes and fittings, wallpaper and roofing applications—strengthen the world's communities by supporting more durable and energy-efficient structures and beautifying the places we live, work and play.

Employing approximately 9,500 people, Westlake operates from 36 locations in North America, 11 in Europe and 6 in Asia. Our unwavering goal is to provide quality products and services to our clients by being highly responsive, reliable, nimble and easy to work with. We're a dependable supplier of in-demand, everyday products.
